WTF broadcast a portion of our recording of "Coppelia," as performed by the Central Pennsylvania Youth Ballet...

***"Beautiful...and the coverage was so good, I had to keep reminding myself it had been recorded with only ONE camera."***

***– David Walker, Producer, WTF***

## Weddings

"We loved the video! You were great to work with! You had the ability to capture all the special moments without ever being intrusive. Your editing and finished video were excellent. We were very pleased!"

– Kathy Evans, Mother of Holly Evans, a NYC Rockette

"The tape was done beautifully, especially the Montage... you managed to capture the total essence of the wedding. Please feel free to use us as a reference anytime."

– Susan and Marc Berger, Harrisburg, PA

## Religious Celebrations

"We were so pleased with the outcome... our video is so beautiful – every detail was captured of our party. The best part was that we received our tape just days after the party. We show it to all our family and they feel the same way we do... they just love watching it!"

– The Krevsky Family, Harrisburg, PA

### *Dance Recitals*

– Kandy Foltz, Tap 'N' Arts Dance Studio

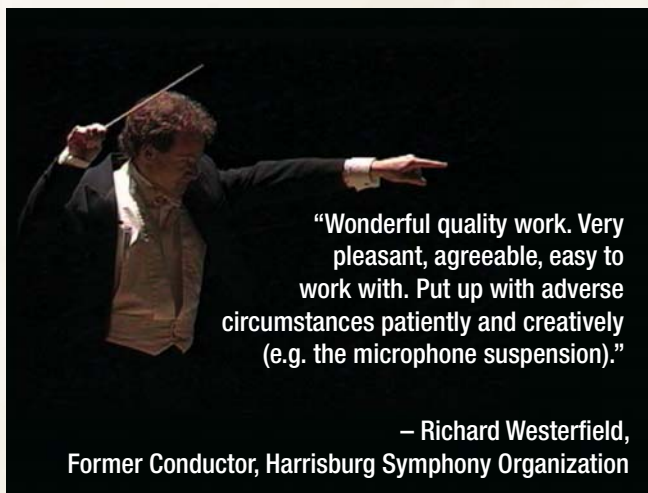

"Allen's Memory Lane has done video work for us for the last ten years. They are dependable and a pleasure to work with. Their tapes are of the highest quality, and many of our students use them for college admissions."

– Jack Hartman,  
 Hershey High School

## *Concerts/Special Events*

***"Wonderful quality work. Very pleasant, agreeable, easy to work with. Put up with adverse circumstances patiently and creatively (e.g. the microphone suspension)."***

– Richard Westerfield,  
 Former Conductor, Harrisburg Symphony Organization

"Excellent job! I haven't heard one negative comment about the quality of the video. (Believe me, that is a rarity!) I think the most impressive point was that you captured a 'little bit' of every child, so even if a child did not have

a major part in the musical, they still felt 'special and important!' I really wish we had known about you before! Thank you so very much for making our musical a 'beautiful memory!'"

– Julie Seifried, Children's Garden of St. John's Lutheran Church
